Newsletter

Monday 1<sup>st</sup> June 2020

Dear parents and carers.

Firstly we hope you are all well and keeping in good spirits.

Thank you for your support through these very challenging times. We understand how confusing the government messages may seem to be in relation to how we have decided as a Trust/LA and School to respond to these guidelines.

## Opening school for more children – Monday 1<sup>st</sup> June 2020

As of today, Monday 1st June 2020, we have opened our doors to more children. We are running several “bubble groups” with children of Key Workers or pupils who are in a more vulnerable position at this present time. We are a small school and therefore all groups are now **full** with places that have been offered to those who are in need due to returning to key working jobs.

As a small school, we have to be very careful with ensuring social distancing can be adhered to, therefore we are trying to have minimal staffing in the school building at any one point, this is another reason for us being full at this time.

## What will happen moving forward?

We will be continuously reviewing our practices as we go through June. At the end of June we will review all groups and **if** it is safe to offer more places to pupils then we will look to do so. Again, **priority** will be given to children of **key workers, vulnerable** and then children from the **Reception class**.

Once again, thank you for your support and the **AMAZING** home learning that is taking place. You really are doing a fantastic job. We will continue to provide work for at home and hope that you will continue to use our Seesaw Activities as a way of sharing with your child’s teacher the brilliant work. Remember you can ask for help with any activity, the teachers will still be responding on Seesaw, we are here to help.

Kind Regards

Mr Batty and Miss Howard
