

W.c. 21.9.20

*I can count objects*

*I can recognise two*

Look at the pictures. Can you spot the odd one out in each row?

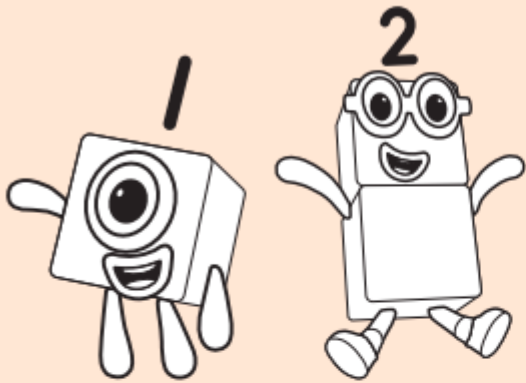

W.c. 21.9.20

I can count objects

I can recognise two

Colour in Number Two.

Put 2 dots on the dice.

How many fingers are being shown?

Circle all the number 2s.

1      2      1      2  
2      1      2

Draw 2 objects in the ten-frame.

Circle 2 saxophones.

W.c. 28.9.20

*I can count objects*

*I can recognise one, two and three*

Count the number of objects in the picture. Circle the correct Numberblock to show how many objects there are.

W.c. 28.9.20

*I can count objects*

*I can recognise two and three*

The Numberblocks have been counting how many objects there are. Are they right? Help them check.

I think there  
are 3 birds.  
Am I right?

Yes

No

I think there  
are 2 ants.  
Am I right?

Yes

No
