

Date _____

I can use fronted adverbials to up-level my writing

Look at the paragraph from the example text.
Underline the fronted adverbials.

Trains have been a popular form of transport since the 19th century. When the first steam train was built in 1804, people were concerned that they would travel too fast and cause breathing difficulty for the passengers. By the 1850s, many people were using trains to travel around the country.

Read the sentences below and put in an appropriate fronted adverbial for each one.

1. _____, trains were made using diesel engines.
2. _____, trains became cheaper to travel in
3. _____, electric trains began to be the most popular in the country.

Now write a sentence about each of the topics below using a fronted adverbial.

Electric trains

Steam trains
