Attendance News

We are your new Attendance Champions and would like to introduce ourselves.

My name is Connie and I am in Class 5. I used to struggle to get up in a morning because I wasn’t getting enough sleep. I was usually late for school, and that meant I missed Guided Reading most days. I really wanted to improve my attendance so decided I needed to start going to bed earlier, and getting up in time for breakfast club. So even if I am late getting to breakfast club, I’m still always at school on time.

My name is Emily and I am in Class 5. I used to get to school late because I kept sleeping in and not getting ready on time. I was missing out on Guided Reading and sometimes half of Literacy! We had an Attendance meeting with children, parents and teachers. My Mum came too, and we talked about how we can all work together to improve our attendance. I started getting ready earlier, and coming to breakfast club.

We are both so proud to be chosen as your Attendance Champions.

Top tips for this month

Our top tip this month, is having a great morning routine.

We think it is really important to have a routine and stick it, so you know what you need to get done before you set off for school.

Connie’s top tip

I recommend getting your clothes and bags ready the night before, that way it stops you needing to rush to get ready in the morning.

Emily’s top tip

My top tip is to try to wake up earlier than you have to so you have plenty of time to get all the things done you need to do.

If you are struggling with a routine, please contact Mrs Anscombe and Mrs Lomax for advice.

Monthly Attendance (September 2022)
