### Attendance News

We are pleased to tell you that 99 of our Bellfield Children have 100% attendance so far this year.

We feel so proud of them for making such a fantastic effort to be on time and at school every day, making the most of their learning.

Let’s hope that everyone else is encouraged by the example they are setting to the rest of the school.

At this time of year, when the mornings and evenings are darker, and the weather is getting colder, we understand that it is tempting to want to stay at home.

But, our Bellfield family is here to help and support you. This is an exciting time of year at school, and we have Christmas plays and activities to look forward to. We need to be in school, taking part with our class mates to make the most of this wonderful time of year.

### Top tips for this month

Our top tip this month is getting a good night’s sleep. This is massively important for your health and energy levels. A good night’s sleep makes it easier to concentrate in class.

#### Connie’s top tip

My tip is to go to bed at the same time every night, and wake up at the same time every morning so you stick to a routine. If you make your bed in a morning, it’s ready for you at night time.

#### Emily’s top tip

My top tip is to relax before bedtime. I like calming music that helps me prepare for sleep. A hot drink of milk helps me feel ready for bed.

### Monthly Attendance

Year group	%
Nursery	90.2%
